Wipro launches

# grup think

design

contemporary, sleek and functional

space

allows you to configure as per your need

flexibility

variety of table top shapes and sizes, offers flexibility

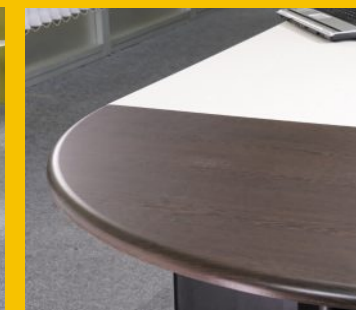

Wipro Furniture launches grupthink a contemporary range of conference solutions to create distinguished environments for executive boardrooms and conference rooms. Light-weight and modular, these conference tables are easy to configure to match your specific needs.

grupthink offers quality finish and craftsmanship with attention to detailing enabling high-performance group work.

grupthink acts as a multi-purpose table, doubling as a video-conferencing, training or informal work area.

The light open architecture and simple cable management enhance easy adaptability to changing work needs

Shown extreme left: Sleek and easy to install design with Membrane Finish Tops having smooth edges for safe working

Postformed leg panels to add to the aesthetic appeal giving ample leg room for comfortable use

Concealed wire management with liftable top cover giving full access for ease of plugging in

Shown extreme left: 14 seater grupthink closed configuration

Flexible vertical wire carrier to take the wires from ground level to table top
